(e) Upon the withdrawal of any cash deposit or bond that was used as a basis for the certificate provided in subsection (b)(2) prior to the expiration of such certificate the commissioner shall within five (5) days provide notice to the registrant that to the commissioner's knowledge the vehicle no longer meets the requirements of the financial responsibility law and that the registration of such vehicle will automatically terminate in sixty (60) days from the date of such notice unless such requirements are met.

(f) The registration of any vehicle shall automatically terminate sixty (60) days from the date of notice to the commissioner pursuant to subsection (d) or (e), unless the owner of the vehicle provides the evidence provided in subsection (c).

(g) The commissioner shall, upon receipt of the notice provided in subsection (d) or (e), immediately notify the registrant that the registration of such vehicle will be terminated unless the registrant submits the evidence provided in subsection (c).

(h) Any insurance company which fails to provide the notice required in subsection (d) shall remain liable to the extent of the original policy limits for any accident the policy would have covered during the period of validity of the certificate or until the notice required in subsection (d) is provided to the commissioner, whichever is earlier.

SECTION 2. Tennessee Code Annotated, Section 55-12-140, is amended by deleting such section in its entirety.
